## Tuesday, September 7

This morning we will meet our guide for the You will board a deluxe motor coach and travel to St. George, Utah for a short rest stop before arriving at Bryce Canyon Lodge. Overnight Bryce Canyon

## Wednesday, September 8

After breakfast, get ready for a full day for sightseeing and exploring in Bryce Canyon National Park. Explore the many trails available to hike and view points to visit. You will also be able to choose from the many options for flight tours, ATV tours, horseback riding and more just outside the park at Ruby's Inn. In the late afternoon don't miss the Paunsaugunt Wildlife Museum with thousands of displays covering the wildlife of North America, along with birds, fish and insects. Tonight join the

group and enjoy an evening of western food and entertainment at Ebenezer's Barn & Grill. Overnight Bryce Canyon (B,D)

## Thursday, September 9

After a leisurely breakfast, depart Bryce Canyon and take in the sights as you travel south and enter Zion National Park. As you travel through the eastern side of the park you will pass through the 1.1 mile long Mt. Carmel Tunnel which was blasted and cut in the thick Navajo sandstone during the early 1900s. Many consider this drive one of the most scenic drives in America. Witness the beauty of the park as you descend to the valley floor where you will have time for sightseeing and optional hiking before arriving at Zion Lodge. After checking into your hotel you will the evening free to explore the sights of the Park. Overnight Zion. (B,L)

## Friday, September 10

Today is yours to take in the majestic canyons and rock formations found in Zion National Park. Take advantage of the free shuttle system to explore the amazing canyons at your own pace.
