**Wednesday, December 9, 2009**

Depart Bloomington via motor coach for the beautiful French Lick Resort and Casino, the Midwest’s premier resort and casino destination. Visiting historic French Lick is like stepping back in time to 1902 when the resort was originally built. The West Baden Springs Hotel which has been called the “Eighth Wonder of the World”, is modeled after the greatest spas in Europe. Enjoy the afternoon on your own with time at the casino, taking a walking tour of the French Lick Resort or simply relaxing in a rocking chair. Dinner this evening will be at the Grand Colonnade Buffet which boasts of food stations featuring Mexican, Italian, Chinese, Southern and so much more. This evening enjoy the spectacular view of the atrium from your balcony room! (D)

This morning we will have a continental breakfast at Caddy Sinclair’s, which is located in the West Baden Springs Hotel. This afternoon we will visit the French Lick Winery to enjoy some award winning wines, followed by a fantastic lunch at the Vintage Café. We will then board the motor coach to head back home to Bloomington while reminiscing over our nostalgic trip to French Lick! (B/L)
